

Soil to Soul

CORPORATE PROFILE OF FLORANZA INTERNATIONAL NURSERY W.L.L, DOHA QATAR

**FLORANZA**  
INTERNATIONAL NURSERY W.L.L

## Seeds to petal

**F**LORANZA International Nursery has come a long way from its modest beginnings to become a household name in Doha in the horticulture business. We opened our doors to the public in the early 2000 at the West Bay Petrol Station. We deal in quality indoor and outdoor plants, pots, planters, soil amendments, fertilizers, chemicals, tools and garden accessories, making us the nodal agency for providing everything related to horticulture. We stock a wide array of plants from across the globe suited to Qatar's climatic conditions.

## Growth spurt

**W**ithin a short span of three years, FLORANZA International Nursery experienced a huge growth. With huge expansion plans on the anvil, we moved our base to Al Rehab Street near the Fish and Vegetable market. We now have outlets at the Centre Point in Al Sadd, Lagoon Plaza Mini Market in the West Bay Lagoon and Al Wakrah near Qtel R/A.

### New outlet on the cards

An outlet is opening soon in The Pearl of Qatar. Our worldwide supplier network, capability to handle any customer demand and an overall exceptional quality of customer service have made FLORANZA International Nursery a force to reckon with .in the horticulture business

### State-of-the-art nurseries

FLORANZA International Nursery cultivates plants in its well-equipped nursery in Al Maider to meet Doha's horticulture requirements. We have another resource-rich 40,000 sq. meter nursery in Umm Al Amad to cater to the horticulture demands of Qatar. A wide range of groundcovers, palm shrubs and trees are available at wholesale rates at .our outlets

## Worldwide network

Plants and seeds are imported from the USA, Holland, Germany, Italy, Australia, Costa Rica, China, India, Sri Lanka, KSA, Lebanon, Thailand, Vietnam, Syria, Jordan, Egypt and the UAE. Given notice, we can leverage our worldwide supplier network to meet even the rarest of needs of our customers.

### Self-sufficiency

The company has a self-sufficient department that specializes in designing, installing and maintaining landscape projects. This department has the expertise in handling landscaping and irrigation work of any size; providing customers guaranteed quality and timely delivery. It can expertly handle interior works, maintenance and cut flower demands too. Floral designs for different occasions are available at outlets in Lagoon Plaza Mini Market and Centre Point. The Pearl of Qatar outlet will also be equipped to offer the same experience to its customers.
